Co-op's Internship: Not Your Average Summer Job

Hey future changemaker!

Looking for an internship that's more than just spreadsheets and coffee runs? At Co-operative Insurance Companies, we're flipping the script on what an internship should be.

What Makes Us Different?

Forget being stuck in one department. Our 10-week internship is a full-on backstage pass to the entire insurance world. You'll rotate through every team at Co-op—from underwriting and claims to marketing, loss prevention, and beyond.—and get a real feel for how it all works together.

Work Hard, Play Hard!

We believe learning should be fun. That's why every week includes a built-in Fun Day that would include any of these immersive activities:

- Ride-alongs with Claims Adjusters
- Agency Visits
- Loss Prevention Inspections
- Team Lunches

You'll also get in on big summer happenings like:

- Addison County Fair and Field Days
- Wish Kids Golf Classic
- Co-op Employee Events

Why You'll Love It

- Full-industry immersion—you'll get the inside scoop on everything insurance, not just one slice.
- Real connections—meet pros across departments.
- Resume glow-up—stand out with hands-on experience.
- Good vibes only—we're serious about making this fun!

If you're curious, driven, and interested in exploring a career that actually makes a difference, this is your moment!

Ready to level up your summer? Apply now and join a team that's all about learning, growing, and having a blast while doing it.
